SYLLABUSX

LMD The Last Mile Delivery Conference and Expo is a cornerstone in the annual calendar of retail industry leaders. This event serves as a vital platform where retailers come together to exchange invaluable insights concerning the dynamic trends and transformative technologies shaping the landscape of last-mile delivery, whether it's for commercial or non-commercial locations.

This gathering offers attendees the unique opportunity to explore fundamental challenges within the warehouse-to-last mile delivery sector, providing them with crucial insights that can revolutionize their approach to the entire delivery process. By participating in the conference, they gain access to expert knowledge, ideas, and innovations that promise to be game-changers in the world of last-mile delivery.

LMR The Last Mile Returns Conference & Expo is dedicated to addressing the challenges and opportunities associated with the final leg of the e-commerce supply chain—the last mile. This conference provides a platform for retailers, industry professionals, logistics experts, and e-commerce stakeholders to come together and discuss innovative solutions, strategies, and technologies related to product returns and reverse logistics.

Participants can expect insightful keynote presentations, and panel discussions that explore the evolving landscape of last-mile returns management. With a focus on enhancing customer satisfaction, sustainability, and operational efficiency.

LMR-2024 is an essential gathering for those looking to stay at the forefront of the rapidly evolving e-commerce and logistics sectors.

Wanameet's pre-event process is carefully designed to simplify your participation and enhance your connections with other attendees. Here's a detailed breakdown of how it works:

1. **Profile Completion**

Two months prior to the commencement of LMD, LMR, & FCX you'll receive guidance on completing your profile. Your profile acts as your introduction to fellow participants, allowing you to share vital information about yourself, your organization, and your objectives for the event.

2. **Meeting Selection**

At this stage, you gain access to an extensive database of participant profiles. You can utilize filters, lists, and search functions to pinpoint individuals or organizations that align with your interests. Keep in mind that many other attendees are doing the same. Once you've identified potential meeting partners, you can express your interest in meeting them by opting in.

3. **Opt-In**

After you've selected potential meeting partners, you can opt-in to their meeting requests. Wanameet ensures that all meetings are double opt-in, meaning you'll only meet with people who have also expressed a genuine interest in meeting you. This guarantees that your meetings are with individuals who are eager to connect with you.

4. **Meeting Acceptance & Scheduling**

Once you've reviewed and accepted meeting requests from others, Wanameet takes care of the scheduling. You'll receive calendar invitations with all the necessary meeting details. This ensures that you're well-prepared and organized for your meetings during the event.

5. **Onsite Meetings**

On the day of the event, simply join your scheduled meetings onsite. Wanameet streamlines the process, making it effortless to connect with the people or organizations you've chosen to meet.

By following these steps, you'll be fully equipped to maximize your Wanameet experience, engage in productive meetings, and forge valuable connections and opportunities during LMD, LMR & FCX.

Executives Can Receive Complimentary Tickets & Up to \$750 Travel and Hotel Reimbursement.
